DEAR CLERK,

I am writing to you today in reference of the FIRST STEP ACT, S. 756, 2018. Whereas, I qualify for the newly enacted Act that was passed on December 21, 2018. I ask that the Court either impose a new sentence under 404 (b) and bring me back for a resentencing hearing. As well as to take into consideration of 3553 (a) factors. Moreover, the petitioner humbly request that this court grants him the relief sought under this new act.
